

CALL Nº 06/2018 - SELECTION PROCESS FOR FOREIGN REGULAR STUDENTS NON RESIDENT IN BRAZIL FOR THE DOCTORS'S DEGREE IN GEOLOGY POSTGRADUATE PROGRAM OF THE FEDERAL UNIVERSITY OF CEARÁ – BRAZIL

The Coordination of the Postgraduate Program in Geology (PPGG), of the Federal University of Ceará (UFC), calls for applications to fill up to **1 (one) open position** for the Doctor's Degree in Geology for foreign regular students non resident in Brazil, for the academic semester 2019.1.

It is required for registration that the doctoral candidate has at least one (01) article published or accepted for publication (with a supporting document) in a journal indexed Qualis* in Geosciences, category B3 or higher or two articles published or accepted for publication (with supporting documents) in a journal indexed with Qualis in Geosciences category B4. Alternatively, at least two (02) articles published or accepted for publication (with supporting documents), in the last four (04) years, in journals indexed Qualis classification in areas other than Geosciences, category B4 or higher, provided that there is affinity with the theme of the doctoral project.

*For more information on Qualis index, please consult <https://sucupira.capes.gov.br/sucupira/public/consultas/coleta/veiculoPublicacaoQualis/listaConsultaGeralPeriodicos.jsf>

1. REGISTRATION

The registration of candidates is open from **17/10/2018** (day/month/year) to **31/10/2018** and consists of two procedures:

a) Candidates must fill out the online electronic form available at the following website <http://www.si3.ufc.br/sigaa/public> (option "*Processos Seletivos Stricto Sensu*")

b) The required documents listed in Item 1.3 of this Call for Candidatures must be attached to the SIGAA System through the online application, through the "select file" button. The file should not exceed 12MB. Along with the documentation it is mandatory to include the copy of the printed receipt of subscription generated by the online system in **step a)**.

1.2. The candidate registration is conditioned to the fulfilment of all requirements specified in this call. The registration acceptance (or not) will be provided by e-mail, being the candidate entirely responsible for providing a valid e-mail address on the online registration form of this call.

1.3. The candidate must send the following documents, in the sequence indicated below, compounded as a unique ".zip" file:

- a) Registration form (Annex I);
- b) Copy of valid passport;
- c) Copy of Undergraduate's Diploma and Master's Diploma in Geology or Sciences, or any valid document that replaces it;
- d) *Foreign Researcher Curriculum Vitae* (Annex II);
- e) Scores Form (Annex III);
- f) Confirmatory documents that proof the items mentioned in the Scores Form;
- g) Research proposal.

2. SELECTION PROCESS

The selection process will be conducted by a selection committee designated by PPGG Coordinator and composed by 3 PPGG members.

2.1 Curriculum Grade

The curriculum grade (CG) has a weight of 50% on the total score, obeying the Scores Form in Annex II, and is eliminatory. Minimum score for eligibility is 200.

2.2 Research Proposal

The research proposal grade (RPG) has a weight of 50% on the total score and it is eliminatory. On the proposal, the candidate must describe his/her acquaintance with the topic of the thematic area he/she is being a candidate for, according to PPGG research lines (available in <http://www.ppgeologia.ufc.br/linhas-de-pesquisa/>). The research proposal must be written in Portuguese or English.

3. RESULT

3.1 The final grade (FG) of the candidate is expressed as the weighted average of the CG and the RPG.

3.2 Ties will be resolved by giving priority to RPG

3.3 The selection committee will publish the list of approved candidates, up to the vacancies limit, in descending order of FG, at www.ppgeologia.ufc.br.

3.4 Appeals regarding the selection process and its results must be placed to the PPGG Coordination up to 5 days after the publication of FG, through email geolpos@yahoo.com.

3.5 The final result of the selection process will be published until November 30th, 2018 at the electronic website <http://www.si3.ufc.br/sigaa/public>, in a decreasing order of the total scores of the approved candidates.

3.6 The confirmatory enrolment of the approved candidates must be concluded at the PPGG secretariat, by the candidate himself/herself or, alternatively, by an authorized party, in a future date to be indicated after the publication of the final result.

Fortaleza – CE, 08/10/2018

Cynthia Romariz Duarte
Program Coordinator

ANNEX I - Registration Form

1. PERSONAL DATA

FULL NAME: _____

FULL ADDRESS: _____

CONTACT PHONES: _____

E-mail: _____

BIRTH DATE AND PLACE: _____

MARITAL STATUS: _____

NATIONALITY: _____

PASSPORT: _____

2. PROFESSIONAL DATA

PROFESSIONAL TITLE: _____

CURRENT POSITION (company/institution and short job description):

Availability for dedication to the Postgraduation Program:

() Full time

() Part time. Specify how many hours per week: _____

3. ACADEMIC BACKGROUND

Undergraduate Program Title: _____

Start date: _____ Conclusion date: _____

Institution/Country: _____

4. REGISTRATION REQUIREMENT

I request my registration for the selection process for the MASTER Program at PPGG in the following thematic area: _____

(indicate here one of the research lines of the <http://www.ppggeologia.ufc.br/linhas-de-pesquisa/>)

Place and date: _____

Signature: _____

ANNEX II - Foreign Researcher Curriculum Vitae

1. Professional data/activity			
Full name		Date of birth	Country
E-mail			
Institution			Present position
Department			Start date (month/year)
Office address			P.O. box
City	State/Province	Country	Zip code
Phone number ()	Extension	Fax number ()	
2. Academic background			
Degree	Field of knowledge		Start / End date
	Institution	City	Country
Degree	Field of knowledge		Start / End date
	Institution	City	Country
Degree	Field of knowledge		Start / End date
	Institution	City	
3. Research interests			
4. Current position			
Managerial and/or administrative activity			

Research and Development	
Technical service/specialization Others	

5. Work experience

Institution	Position	Activities	Local	Start – End date

6. Scientific, technological and artistic production

	number		number
1. scientific articles in national scientific journals		6. papers presented in congresses, seminars, conferences, etc	
2. scientific articles in international scientific journals		7. participation in expositions, presentations, etc	
3. articles for scientific divulgement		8. motion pictures, videos, audiovisual and media production	
4. defended theses		9. patents	
5. advised theses		10. books	

7. Main publications

Relevant publications related to the project

8. Languages

Indicate your language proficiency: P – poor G – good E - excellent

Language	speaking	reading	writing	Language	speaking	writing	reading

ANNEX III – Scores Form

Instructions:

• The candidate must fill in the "Candidate score" column. If you do not perform any of the items fill with 0 (zero). Only items that are proven will be considered.

• For items in Scientific Production articles, the candidate should consult the webqualis at the Sucupira Platform at <https://sucupira.capes.gov.br/sucupira/public/consultas/coleta/veiculoPublicacaoQualis/listaConsultaGeralPeriodicos.jsf>; Classification Event: Qualis 2013-2016; Area of evaluation: Geosciences; place the ISSN or journal title; and consult to identify the classification of said journal in the Geosciences evaluation area.

Evaluation Items	SCORES	Candidate score	Commission score
1. Academic Degrees			
Master's Diploma in Geology or Sciences	100		
Undergraduate Diploma in Geology or Sciences	50		
Undergraduate Diploma in Technology Courses (3-year duration courses)	20		
Observations:			
- If a diploma is not available, the candidate must provide an equivalent certificate;			
- Only 1 (one) diploma will be considered for each degree.			
2. Scientific or Technological Production (2015 to 2018)			
Conference papers (published) in national or international events in Geology or Sciences	10		
Journal paper (published or accepted) ranked as A1, A2 or B1 in CAPES WebQualis database (area: Geociências)	50		
Journal paper (published or accepted) ranked as B2 or B3 in CAPES WebQualis Database (area: Geociências)	30		
Journal paper (published or accepted) ranked as B4 in CAPES WebQualis Database (area: Geociências)	20		
Journal paper (published or accepted) ranked as B5 or C in CAPES WebQualis Database (area: Geociências)	10		
Observations:			
- For a publication to be considered, the candidate must be the first or second author;			
- Articles in which the candidate is beyond the third author, will have their mark reduced by half;			
- A copy of each published or accepted paper must be provided.			
3. Academic or Professional Experience			
Scholarship for scientific initiation in undergraduate	10 (p/semester) ¹		
Experience in undergraduate scientific projects or programs	10 (p/semester) ¹		
Professional experience in companies, teaching or research institutions	5 (p/semester) ²		
Courses completed as special or regular student in graduate programs	10 (for 4 credits or 60 course/h) ³		
Internacional exchange experience, internships or similar programs	5 (p/semester) ⁴		
Observations:			
- For academic or professional activities with duration exceeding 1 semester, the associated scores will be calculated proportionally to the number of months;			
¹ Limited to 40 scores; ² Limited to 20 scores; ³ Limited to 20 scores; ⁴ Limited to 15 scores.
